ESMRA and Dunlop have recently come together to offer a Dunlop Tire Promotion during the 2009 Race Season.

For everyone 's awareness, here a list of the details:

- The tire deal is only available at 2009 ESMRA Race Events & only available to current ESMRA Members.
- There will be a limited supply at each event.
- Riders will only be allowed to purchase on race day. No pre-pay! No exceptions!
- Cost: \$370/set, \$170/front and/or \$200/rear.
- A portion of the proceeds will go back to the ESMRA Members during the 2009 Season.

This is not a sponsorship, this is not a contingency, and ESMRA is not a Dunlop dealer. This is a team-work effort between two companies to help give you, the rider, another benefit for being an ESMRA Member!

Thanks for your support!
