

FOR IMMEDIATE RELEASE

2010 ENAC Can/Am Round #3

New date/New location

Columbia, MD. (June 15, 2010) - Due to the inability of the promoter handling the 2010 Can/Am Round #3 to secure all of the proper permits to run a supermoto event through the city council of Parry Sound, Ontario, Round 3 of the 2010 ENAC Can/Am will be held on July 4th weekend at Cherry Valley Motorsports Park in LaFayette, NY (minutes away from Syracuse, New York, USA). After careful deliberation with other promoters involved in the series, ESMRA has decided to host Round 3 of the series during it's Independence Day Double Points Weekend. Please be aware that those Can/Am participants who were in attendance for Round 2 at Auto City Speedway in Clio, Michigan, USA, will still receive their "show up" points if they cannot make this rescheduled round in the series. However, those participants who were in attendance at Round 2 and who attend to participate in Round 3 will receive those "show up" points plus points earned based on their finish in Round 3. Further details on the event will be posted as they become available! Should you have any questions, comments, or concerns, please feel free to address them to ESMRA via email or telephone. Again, we apologize for any inconveniences which this sudden change may have caused you. And, we thank you for your support of the 2010 ENAC Can/Am and the sport of supermoto!
