

Attention all ESMRA Riders & ENAC Can/Am Participants:

The 2011 ESMRA Series Finale & the 2011 ENAC Can/Am Series Finale will be held at Raceway Park in Englishtown, NJ on Sunday, October 16th. We are trying to ensure everyone a Practice Day on Saturday, October 15th; however, until we get positive confirmation on the practice day, we cannot, as of yet, confirm the 15th as part of the race weekend. Since the date(s) for the Canadian National Finals are on October 8th and 9th in Ontario, it was our intent and purpose, earlier in the season, to change that race date so that there wouldn't be any conflicting race dates. We apologize for any confusion surrounding the dates but, we figured that changing the ENAC Can/Am Finale date would be the best resolution for any and all Canadian participants and spectators that would be or wanted to be involved with both Series. Again, we do apologize for any scheduling inconvenience(s).
